SAMHSA's Trauma-Informed and Principles

Slide 7 The focus on events places the cause of trauma in the environment not in some defect of the individual. This is what underlies the basic credo of trauma-informed approaches: "It's not what's wrong with you, but what happened to you." The focus on experience highlights the fact that not every child or adult will experience the same events as traumatic. The

ABOUT MISSIONS

ASK God to help you get to know people who will want to pray for you and help support your ministry financially.
